NOTICE

Closure of the DC DMV Georgetown Service Center

Please be advised that the Georgetown Service Center of the District of Columbia Department of Motor Vehicles is closed as of May 19, 2012 due to construction work at the Georgetown Park Mall.

A temporary service center located in the DC DMV's Adjudication Services Center at 301 C St, NW will open on June 4, 2012. Until this time, to prevent longer waiting times at the other service center locations, the DC DMV requests that, when possible, customers avail themselves of the online services available at <http://www.dmv.dc.gov>.

Services at the Penn Branch Service Center and the Southwest Service Center will remain unchanged throughout this time. For complete information as well as addresses and hours of operation for DC DMV Service Centers, please refer to <http://www.dmv.dc.gov>.
